Sir,

Sub: Cooperative Land Colonisation Societies - Organisation of a Land Colonisation Society at Kadathi - Harpanahalli taluk - Bellary District.

Ref: G.O.No.5897 Development dated 28.11.51.

...

In the G.O. cited, Government have approved my proposal to organise a land colonisation society in the Kadathi village in Bellary district. The Deputy Registrar, Bellary, has been instructed to proceed with the preliminaries relating to the organisation of the society.

2. Out of the 355 acres recommended by me for assignment to the proposed society, Government have ordered that 4 acres required for the construction of private tank, should be excluded and that the remaining 351 acres should be assigned to the society, of which 5 acres should be set apart for house-sites. The 346 acres are available for cultivation. Government have also ordered in paragraph 4 of the G.O. that 35 colonists should be settled in the colony and that each colonist should be allotted 10 acres of land for cultivation. For this purpose, 350 acres will be required, while only 346 acres are available, as pointed out above. I, therefore, request to be informed whether in addition to the 346 acres now available for cultivation, an additional extent of 4 acres will be assigned by Government, to keep the total at 350 acres; or whether I may ask the local officer to get the 346 acres allotted to the proposed colonists in as suitable a manner as possible.

Yours faithfully

for Registrar.

Read: Bellary Collector's Rc.No.568/52-A3 dated 17-6-52

In para # 2 of his report cited, the Collector says that S.No.366 measuring 4.84 acres of Kadathi village is available for inclusion in the block meant for the colony, that it is under the sivoijaima cultivation of one Sri Lambadi Sobya Naik and that an extent of 4 acres of this S.No. may be sanctioned for assignment to the Co-operative Society. It is presumed that the intention of the Collector is to dispossess the sivoijamdar and to give the land to the Society. The Collector is requested to confirm the presumption.

2) The Collector is also requested to report on the following points:-

1) Is the sivoijaimadar a landless poor person or not

2) The date of commencement of the occupation.

Sri Lambadi Sobhya Naick is the Sivajamdar of S.No.366 of Kadathi village in Harpanahalli Taluk. He is a landless poor ryot and does not own any land. He commenced sivoyjama cultivation in this land during fasli 1355, i.e. six years ago. He has been selected as a member of the Kadati Co-operative Land Colonisation Society.
